PERSONAL FAITH AND BELIEFS

Christian Faith: We believe in Jesus Christ, God's son, as the revelation of God and Savior and Lord of all who accept Jesus Christ by faith. We believe that the Christian church is composed of those who commit themselves to live under Christ's lordship and to share with each other. Christian love is a central quality of the Christian faith and becomes the basis for MCC's relationship with all people regardless of creed, ethnic origin, nationality, gender or political view. MCC's response to human conflict, injustice, war and racial tension is based on the biblical teachings of nonviolence. The service ministry of MCC is established as a positive expression of this understanding.

Philosophy of Christian Service: The ministries of MCC are performed in the name of Christ, arising in response to human need and the call to Christian discipleship. The program uses personnel with a wide variety of skills, backgrounds and levels of education and maturity. MCC hopes that both personnel and program can serve as channels for healing and reconciliation in a broken and divided world.

Personal Qualities: People are carefully selected for assignments, taking into account the resources of the individuals and the demands of the assignment. MCC seeks to select persons who:

- **are committed to the Christian faith and philosophy of service summarized above and have active membership in a Christian church;**
- **are ready to identify with and participate in the life and activity of the Christian church and the community where assigned;**
- **possess the personal, spiritual, social and vocational resources needed for creative work in demanding situations;**
- **demonstrate resilience where needed for adjustment to new ideas and cultures and have aptitude to learn a foreign language if necessary;**
- **are willing to be responsible to a group, accepting financial limitations, new social patterns and the disciplines of a working community;**
- **are capable of working within the framework of program goals and at problems of program and human relations with honesty and openness;**
- **are willing to live simply and healthfully, being mutually supportive to each other and respectful of other cultures and beliefs and of MCC's supporting constituency;**
- **are aware of and willing to gain further awareness of powers and privileges they may have by virtue of their gender, race, ethnicity, nationality or other characteristics, and will actively work to avoid abusing any of these powers and privileges;**
- **are able and committed to see others as individuals created in God's image, loved by God as persons through whom and with whom God is working.**

If you are invited to an assignment and before you commit yourself, you will be asked to read the detailed MCC Policy Handbook, noting particularly MCC policies on tobacco, non-medicinal drug and alcohol use, celibacy outside of heterosexual marriage, and racial and sexual harassment. Please be aware that certain positions may require a criminal record/background check. Those beginning an assignment will be required to sign an acknowledgement of policy form confirming intent to comply with all policies as outlined in the MCC Policy Handbook.

On rare occasions, during the MCC orientation or immediately prior to the start of an assignment, the applicant and/or MCC may determine that MCC service or the particular assignment is inappropriate or unlikely to succeed. If the concerns relate to the specific assignment, MCC will use its best efforts to find a more suitable assignment for the applicant. Please refer to the MCC policy "termination at orientation" for more information on how this process is handled.

Do you understand these expectations? Yes No **Are you ready to commit yourself to them?** Yes No **Explain as desired.**

Please note that falsifying or omitting any information can result in a refusal to hire or a discharge.

SUPPLEMENT

If you are seeking a service worker assignment, please complete this section. If you are seeking salaried/hourly employment (available only for certain positions in the United States and Canada), you may omit the information requested in this section.

PLACEMENT INFORMATION FOR SERVICE WORKER APPLICANTS

Mennonite Central Committee provides service worker opportunities in domestic and international settings through a variety of programs. Some of these programs have specific age requirements. Some programs require group living arrangements in very modest physical surroundings. In all service worker assignments except local service worker assignments, MCC provides working and living arrangements for the entire family (including dependent children). The service worker allowance includes personal maintenance, transportation and a nominal monthly personal allowance.

Because of the necessary life adjustments in service assignments, we recommend that recently married people wait one year after the wedding date until starting an assignment. For the same reason, we recommend recently divorced or separated people to wait one year from the date of permanent separation. Where divorced or separated applicants have custody of children or support obligations for children, further considerations will be taken into account. Details are available upon request.
